

SS Model Flow Chart for (Name of Topic): _____

Student Name _____ Group: _____ Due Date: ___/___/___

*Use the chart below to plan out the steps required to complete the model for the project.

*The model must be hand-made. **No store bought figures/models are permitted.**

*Be creative and make it with construction paper, clay, popsicle sticks, etc. **No liquids, food products, loose dirt or sand may be used. NO PLAYDOUGH OR LEGOS!!!!**

* A 3”X5” index card with the student name, student ID no., Grade level, Teacher’s name, Team name and group must be attached to the back/bottom of the project. It must not be visible from the front/top of the project.

***Another card with the title of the model and a brief description should be created and displayed on the front/top of the project.**

*You will need to answer the chart questions below on a separate sheet of paper to have enough room for the answer! (Staple this page with the parent/guardian signature on the top.)
